

Hydro One and Avista file request to reconsider decision in Washington merger case

12/17/18

TORONTO and SPOKANE, WA, Dec. 17, 2018 /PRNewswire/ - As announced on December 10, 2018, Hydro One Limited ("Hydro One") (TSX: H) and Avista Corporation ("Avista") (NYSE: AVA) today filed a petition requesting that the Washington Utilities and Transportation Commission ("UTC") reconsider its December 5, 2018 order denying approval of Hydro One's acquisition of Avista, together with a petition requesting that the UTC rehear the matter to accept new evidence.

Under Washington law, the UTC has 20 days to act on the petition for reconsideration. If the UTC grants the petition for reconsideration, it may modify its prior order or take any actions it deems appropriate, including extending the timeframe for its deliberations.

A copy of the filing can be found at www.utc.wa.gov.

About Hydro One Limited

We are Ontario's largest electricity transmission and distribution provider with more than 1.3 million valued customers, over C\$25 billion in assets and 2017 annual revenues of nearly C\$6 billion. Our team of over 7,400 skilled and dedicated regular and non-regular employees proudly and safely serves suburban, rural and remote communities across Ontario through our 30,000 circuit km of high-voltage transmission and 123,000 circuit km of primary distribution networks. Hydro One is committed to the communities we serve, and has been rated as the top utility in Canada for its corporate citizenship, sustainability, and diversity initiatives. We are one of only six utility companies in Canada to achieve the Sustainable Electricity Company designation from the Canadian Electricity Association. We also provide advanced broadband telecommunications services on a wholesale basis utilizing our extensive fibre optic network. Hydro One Limited's common shares are listed on the Toronto Stock Exchange (TSX: H).

Forward-Looking Statements and Information

This press release and the filing to which it refers may contain "forward-looking information" within the meaning of applicable securities laws. Words such as "expect", "anticipate", "intend", "attempt", "may", "plan", "will", "can", "believe", "seek", "estimate", and variations of such words and similar expressions are intended to identify such forward-looking information. These statements are not guarantees of future performance or actions and involve assumptions and risks and uncertainties that are difficult to predict. Therefore, actual outcomes and results may differ materially from what is expressed, implied or forecasted in such forward-looking information. Some of the factors that could cause actual results or outcomes to differ materially from the results expressed, implied or forecasted by such forward-looking information, including some of the assumptions used in making such statements, are discussed more fully in Hydro One's filings with the securities regulatory authorities in Canada, which are available on SEDAR at www.sedar.com. Hydro One does not intend, and it disclaims any obligation, to update any forward-looking information, except as required by law.
