

Hydro One and Avista receive decision on reconsideration petition in Washington

01/08/19

TORONTO and SPOKANE, Wash., Jan. 08, 2019 (GLOBE NEWSWIRE) -- Today, the Washington Utilities and Transportation Commission ("UTC") gave notice ("Notice") of the deemed denial by operation of law of the petition filed by Hydro One Limited ("Hydro One") (TSX: H) and Avista Corporation ("Avista") (NYSE: AVA) requesting the UTC to reconsider its denial of approval for Hydro One's acquisition of Avista. In the same Notice, the UTC also denied the petition for a rehearing on the basis that it is moot. The companies are disappointed in the UTC's decision and will determine the appropriate next steps.

Hydro One and Avista filed a petition on December 17, 2018 requesting that the UTC reconsider its December 5, 2018 order denying approval of the acquisition, together with a petition requesting that the UTC rehear the matter to accept new evidence.

A copy of the Notice denying reconsideration and rehearing are available at <https://www.utc.wa.gov/docs/Pages/DocketLookup.aspx?FilingID=170970>
