

## Hydro One and Avista receive notice of abeyance in Oregon

01/15/19

TORONTO and SPOKANE, Wash., Jan. 15, 2019 (GLOBE NEWSWIRE) -- Hydro One Limited ("Hydro One") (TSX: H) and Avista Corporation ("Avista") today announced that in light of the recent decisions by the Washington Utilities and Transportation Commission and the Idaho Public Utilities Commission to deny Hydro One's acquisition of Avista, the Oregon Public Utility Commission ("OPUC") issued an order ("Order 19-008") suspending indefinitely the current procedural schedule in its merger docket until Hydro One and Avista inform the OPUC that they have sought a reversal of the denial decisions through appeal or other means that would provide a justiciable issue for the OPUC to address.

A copy of Order 19-008 is available at: <http://apps.puc.state.or.us/edockets/orders.asp?ordernumber=19-008>

### About Hydro One Limited

We are Ontario's largest electricity transmission and distribution provider with more than 1.3 million valued customers, over C\$25 billion in assets and 2017 annual revenues of nearly C\$6 billion. Our team of over 7,400 skilled and dedicated regular and non-regular employees proudly and safely serves suburban, rural and remote communities across Ontario through our 30,000 circuit km of high-voltage transmission and 123,000 circuit km of primary distribution networks. Hydro One is committed to the communities we serve, and has been rated as the top utility in Canada for its corporate citizenship, sustainability, and diversity initiatives. We are one of only six utility companies in Canada to achieve the Sustainable Electricity Company designation from the Canadian Electricity Association. We also provide advanced broadband telecommunications services on a wholesale basis utilizing our extensive fibre optic network through Hydro One Telecom Inc. Hydro One Limited's common shares are listed on the Toronto Stock Exchange (TSX: H).

### Forward-Looking Statements and Information

This press release and the Order to which it refers may contain "forward-looking information" within the meaning of applicable securities laws. Words such as "expect", "anticipate", "intend", "attempt", "may", "plan", "will", "can", "believe", "seek", "estimate", and variations of such words and similar expressions are intended to identify such forward-looking information. These statements are not guarantees of future performance or actions and involve assumptions and risks and uncertainties that are difficult to predict. Therefore, actual outcomes and results may differ materially from what is expressed, implied or forecasted in such forward-looking information. Some of the factors that could cause actual results or outcomes to differ materially from the results expressed, implied or forecasted by such forward-looking information, including some of the assumptions used in making such statements, are discussed more fully in Hydro One's filings with the securities regulatory authorities in Canada, which are available on SEDAR at [www.sedar.com](http://www.sedar.com). Hydro One does not intend, and it disclaims any obligation, to update any forward-looking information, except as required by law.

### About Avista Corporation

Avista Corporation is an energy company involved in the production, transmission and distribution of energy as well as other energy-related

businesses. Avista Utilities is our operating division that provides electric service to 383,000 customers and natural gas to 348,000 customers. Its service territory covers 30,000 square miles in eastern Washington, northern Idaho and parts of southern and eastern Oregon, with a population of 1.6 million. Alaska Energy and Resources Company is an Avista subsidiary that provides retail electric service in the city and borough of Juneau, Alaska, through its subsidiary Alaska Electric Light and Power Company. Avista stock is traded under the ticker symbol "AVA." For more information about Avista, please visit [www.myAvista.com](http://www.myAvista.com).

This news release contains forward-looking statements regarding the company's current expectations. Forward-looking statements are all statements other than historical facts. Such statements speak only as of the date of the news release and are subject to a variety of risks and uncertainties, many of which are beyond the company's control, which could cause actual results to differ materially from the expectations. These risks and uncertainties include, in addition to those discussed herein, all of the factors discussed in the company's Annual Report on Form 10-K for the year ended Dec. 31, 2017 and the Quarterly Report on Form 10-Q for the quarter ended Sept. 30, 2018.
