Avista customers in Pullman to experience a planned power outage

March 3, 2025

Spokane, Wash. March 3, 2025: Approximately 211 Avista electric customers in Pullman will experience a power outage on Thursday, March 6 for approximately one hour. The planned outage will take place between 9:00 a.m. and 12:00 p.m.

The affected areas include:

- Southeast High Street between Southeast Thompson Street and Southeast McKenzie Street
- Southeast Spring Street between Southeast South Street and Southeast McKenzie Street.

All impacted customers will be notified in advance. Traffic control will be in place. No road closures are anticipated during this period.

This planned outage will allow Avista crews to perform essential maintenance on power equipment in the area. These updates are part of Avista's ongoing efforts to enhance the safety and reliability of its infrastructure.

For any questions or concerns, customers can contact Avista at (800) 227-9187.
