Avista customers in Clarkston and Asotin to experience a planned power outage

December 11, 2025

Spokane, Wash. December 11, 2025: Approximately 1,196 Avista electric customers in Clarkston and Asotin will experience a planned power outage starting on Wednesday, December 17. The planned outage will start at 5:00 a.m. and end at 5:30 a.m. Impacted customers are located from South Slope Lane in Clarkston through the town of Asotin. Customers experiencing a planned power outage will be notified in advance. No road closures are expected during the outage time. Traffic control will be in place.

During this time, Avista contract crews will be performing maintenance on equipment in the area. Avista is continually updating equipment and infrastructure to increase the safety and reliability of its system.

Customers who have questions or concerns can contact Avista at (800) 227-9187.
