The latest sustainability information can be found at [avistacorp.com](https://www.avistacorp.com).

SPOKANE, Wash., Dec. 23, 2025 (GLOBE NEWSWIRE) -- Today, Avista (NYSE: AVA) published its latest Corporate Responsibility report and other sustainability information on its corporate website, [avistacorp.com](https://www.avistacorp.com). The content reports on Avista's operations and includes commitments in four areas: environment, people, customers and communities, and ethical governance.

The latest report includes information regarding Avista's aspirational Clean Energy goals, workplace culture, customer experience, community involvement, and ethical governance. The website also provides links to Avista's continued reporting on a series of key sustainability reporting frameworks and industry specific sustainability disclosures and metrics that include new reports adhering to the Task Force on Climate-Related Financial Disclosures (TCFD), the Sustainability Accounting Standards Board (SASB), the Edison Electric Institute (EEI) and the American Gas Association (AGA) sustainability reporting frameworks.

"At Avista, our Corporate Responsibility Report is more than a summary of our progress—it's a reflection of our unwavering commitment to transparency, accountability, and continuous improvement. By sharing our goals, challenges, and achievements openly, we invite our stakeholders to join us on our journey toward a cleaner energy future, a more inclusive workplace, and stronger communities. This report is a testament to our belief that responsible business practices are essential to building trust and delivering lasting value for everyone we serve," said Avista President and CEO Heather Rosentrater.
