About ISS ESG Governance QualityScore

ISS QualityScore is a data-driven scoring and screening solution designed to help institutional investors in their quality reviews of risk in Board Structure, Compensation programs, Shareholder Rights, and Audit & Risk Oversight. Scores provide an indication of relative quality and are supported by factor-level data that is critical to the research process, while historical scores and data provide greater context and trending analysis to understand a company's approach to governance over time. As governance factors play a heightened role in investment decision-making, Governance QualityScore provides investors with invaluable data and insight to support their analysis.
