The Avista Corporation Direct Stock Purchase and Dividend Reinvestment Plan (the "Plan") provides investors with a simple and convenient method of purchasing shares of our Common Stock and of investing their dividends in additional shares of Common Stock. The Plan offers you the opportunity to:

- **Purchase Shares** - If you are a first-time investor, you may make your Initial Investment in shares of our Common Stock directly through the Plan. RISK FACTORS

Investing in common stock involves risk. You should review all the information contained or incorporated by reference in this prospectus before deciding to invest. See “Where You Can Find More Information” herein. In particular, you should carefully consider the risks and uncertainties discussed in Avista’s Annual Report on Form 10 K incorporated herein by reference in Item 1A “Risk Factors”, “Forward Looking Statements” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in our annual and quarterly reports incorporated herein by reference).

FORWARD-LOOKING STATEMENTS

From time to time, we make forward-looking statements such as statements regarding projected or future financial performance, capital expenditures, dividends, capital structure, other financial items, strategic goals and objectives and plans for operations. These statements are based upon underlying assumptions (many of which are, in turn, based upon further assumptions). These statements are made both in our reports filed under the Securities Exchange Act of 1934, as amended, and elsewhere. Forward-looking statements are all statements except those of historical fact, including, without limitation, those that are identified by the use of words such as, but not limited to, “will,” “may,” “could,” “should,” “intends,” “plans,” “seeks,” “anticipates,” “estimates,” “expects,” “projects,” “predicts,” and similar expressions.

Forward-looking statements are subject to a variety of risks and uncertainties and other factors. Most of these factors are beyond our control and many of them could have a significant effect on our operations, results of operations, financial condition or cash flows. This could cause actual results to differ materially from those anticipated in our statements. Such risks, uncertainties and other factors include, among others, those listed in “Management’s Discussion and Analysis of Financial Condition and Results of Operations” under “Forward-Looking Statements” in our annual and quarterly reports incorporated herein by reference, as well as those discussed in “Risk Factors” in such reports incorporated herein by reference.

Our expectations, beliefs and projections are expressed in good faith. We believe they are reasonable based on, without limitation, an examination of historical operating trends, data contained in our records and other data available from third parties. However, there can be no assurance that our expectations, beliefs or projections will be achieved or accomplished.

AVISTA CORPORATION

Avista Corporation, which was incorporated in the Territory of Washington in 1889 (sometimes called “Avista” or the “Company”), is an energy company engaged in the generation, transmission and distribution of energy and, through its subsidiaries, in other energy-related businesses. Our corporate headquarters are in Spokane, Washington, the hub of the Inland Northwest. Historically, the primary industries in our service areas were mining, lumber and wood products, military and agriculture. Although they remain important, our economy is now more diversified. Health care, higher education, finance, manufacturing and tourism are also important sectors. Retail trade, governmental and professional services have expanded to serve a larger population.

We have two reportable business segments, as follows:

- **Avista Utilities** - an operating division of Avista Corporation that comprises our regulated utility operations. Avista Utilities generates, transmits and distributes electricity in eastern Washington and northern Idaho and distributes natural gas in these areas and also in northeast and southwest Oregon. It also engages in wholesale purchases and sales of electricity and natural gas.
- **Ecova, Inc.** - an indirect, majority-owned subsidiary of Avista Corporation that provides energy efficiency and cost management programs and services for multi-state customers and utilities throughout North America. Ecova, Inc.’s primary product lines include expense management services for utility, telecom and lease needs, as well as strategic energy management and efficiency services that include procurement, conservation, performance reporting, financial planning and energy efficiency program management for commercial enterprises and utilities.

Avista Corporation has other businesses, including sheet metal fabrication, venture fund investments and real estate investments, as well as natural gas storage facilities. These activities do not represent a reportable business segment.

Ecova, Inc. and all other companies in non-utility businesses are subsidiaries of Avista Capital, Inc., which is a wholly owned subsidiary of Avista Corporation.

- If a participant transfers all Certificate Shares of stock registered in his/her name into a new shareholder registration, the Plan Administrator will not automatically transfer the reinvestment share balance to the new account. The participant must contact the Plan Administrator to request the transfer of Plan Shares.
- Q: 16. *Can I transfer my shares to someone else?*
- A: Yes, Plan Shares may be transferred to names other than the account name. Appropriate documentation with guaranteed signature(s) would be required. See "The Plan - Transfer of Shares."

- It is also critical that you retain all information relative to the cost of Common Stock Certificate Shares previously held by you, which have been credited to your plan account for Safekeeping by the Plan Administrator.

THE PLAN

Purpose

The purpose of the Plan is to provide investors with a convenient and affordable method of purchasing shares of Common Stock directly through the Plan Administrator and to provide Registered Shareholders of Common Stock with a simple and convenient method of investing cash dividends and/or Optional Cash Payments in additional shares of Common Stock at regular intervals, and with a method of selling those shares of Common Stock held by the Plan Administrator for the participants. Purchases will be made either using original issue stock or on the open market, at our election. Open market purchases will be made by the Broker. The price of shares if purchased on the open market will include a fee of \$.04 per share (which will include a brokerage commission), which is subject to change, and any applicable taxes and fees. No commission will be paid on any original issue shares, which might be purchased directly from us under the Plan. Should it be necessary to utilize both open market and original issue shares for any particular Investment Period, the fee of \$.04 per share applicable to the open market shares (which will include a brokerage commission) will be included in the average price per share of all shares purchased.

[Table of Contents](#)

Advantages

If you participate in the Plan you may (a) purchase and sell shares of Common Stock directly through the Plan Administrator or (b) have cash dividends on all or a portion of your shares of Common Stock automatically reinvested or (c) have your cash dividends reinvested and, in addition, you may also make up to \$100,000 per calendar year with a maximum investment of \$10,000 per transaction in Optional Cash Payments or (d) make only Optional Cash Payments up to \$100,000 per calendar year and continue to receive cash dividends on your shares.

Full investment of funds is possible under the Plan because the Plan permits fractions of shares, as well as whole shares, to be credited to your plan account. In addition, dividends in respect to such fractions, as well as whole shares, will be credited to your plan account. You can avoid the cumbersome safekeeping of certificates for Plan Shares credited to your plan account and may also elect to deposit Certificate Shares of Common Stock now held in your name into your plan account for Safekeeping. The deposit of such shares protects you against loss, theft, or destruction of stock certificates. Certificates so deposited will be held in the name of the Plan Administrator. Statements of account will be provided to participants in the Plan following each investment.

Administration

The Bank of New York Mellon along with its affiliate, BNY Mellon Shareowner Services (collectively, the “Plan Administrator”) will administer the Plan, keep records, send statements of account and perform for the participants other duties relating to the Plan. Common Stock purchased under the Plan, as well as Certificate Shares placed with the Plan Administrator for Safekeeping, will be registered in the name of the Plan Administrator as Plan Administrator for the participants in the Plan.

Costs

Fees of \$.04 per share (which will include brokerage commissions) and any applicable taxes and fees are paid by participants in connection with purchases and sales of Plan Shares made on the open market under the Plan. All other costs of administration of the Plan are to be paid by us.

Enrollment

You may enroll in the Plan by completing and signing an Enrollment Form and returning it in the envelope provided. Alternatively, you may enroll on-line at WWW.BNYMELLON.COM/SHAREOWNER/ISD. An Enrollment Form may be obtained at any time upon request by telephoning the Plan Administrator at 1-800-642-7365. The Enrollment Form serves both to initiate participation and to appoint the Plan Administrator to act on your behalf in buying and selling shares of Common Stock under the Plan.

You may change the method of participation in the Plan by completing a new Enrollment Form to indicate the manner of future participation and sending it to the Plan Administrator, or by visiting the Plan Administrator’s Internet Website at WWW.BNYMELLON.COM/SHAREOWNER/ISD.

A Registered Shareholder of Common Stock or any eligible applicant may enroll in the Plan at any time. With respect to Initial Investments and Optional Cash Payments, if the Initial Purchase Authorization Form and Initial Investment or Optional Cash Payment, as the case may be, are received at least one day prior to an Investment Date, participation in the Plan will begin with that Investment Date. With respect to reinvestment of dividends, if the Enrollment Form is received by the Plan Administrator on or before a Record Date, participation in the Plan will begin with the next following Dividend Payment Date.

Participation

Direct Purchase

You are eligible to participate in the Plan for direct purchase of our Common Stock provided that (a) you meet the requirements for participation as described in the following paragraph and (b) in the case of citizens or residents of a country other than the United States, its territories or possessions, participation would not violate local laws applicable to us or to you.

In certain jurisdictions, applicable laws require us to use a registered broker-dealer to offer Common Stock under the Plan to persons who are not currently Registered Shareholders. No offers or sales to these persons will be affected in those jurisdictions unless we have satisfied the requirements of the state securities laws applicable to the operation of the Plan. The Plan Administrator has selected BNY Mellon Securities as the registered broker-dealer through whom we will offer shares in those instances and for all Plan trading activity.

Dividend Reinvestment

You can choose to reinvest under the Plan all or a portion of the cash dividends paid on the shares of Common Stock directly registered in your name. Beneficial owners of our Common Stock whose shares are registered in names other than their own may participate directly by having some or all of their shares transferred into their names, or they may participate indirectly by requesting their record holders (such as a broker or bank nominee) to participate on their behalf. Such indirect participation must be through the registered holder of the shares. You will begin to participate in the Plan as of the Dividend Payment Date associated with the first Record Date which occurs after the date the Plan Administrator receives your enrollment authorization.

Following your instructions, the Plan Administrator will apply all or part of the cash dividend to the purchase of additional shares of Common Stock. Dividends are paid in U.S. dollars and dividends are payable to the Plan Administrator on the Dividend Payment Date, like all other Registered Shareholders. Dividends used to purchase shares on the open market are invested as promptly as practicable commencing on the Dividend Payment Date. Dividends used to purchase shares directly from us are invested on the Dividend Payment Date. When shares are being purchased in the open market, depending on the number of shares being purchased and current trading volume in the shares, purchases may be executed in multiple transactions and may be made on more than one date during the applicable Investment Period. All available cash dividends for your account, less any applicable tax withholding, will be invested and fractional shares will be calculated to four decimal places.

Dividend Reinvestment Options

Following your instructions, the Plan Administrator will apply all or part of your cash dividends to the purchase of additional shares of Common Stock.

You may choose one of the following options to invest your cash dividends:

- **Full Reinvestment** - If you choose this option, 100% of all cash dividends paid on shares held by you in the Plan (certificated and book-entry form) will be reinvested in additional shares of Common Stock. This includes future shares acquired by you directly or through the Plan.
- **Partial Dividend Reinvestment** - If you choose this option, you can direct that dividends on a specified number of your shares be paid to you in cash. Dividends on the remaining shares will be reinvested. If you buy more shares, it will not change your election. If you sell or transfer shares, it will not change your election unless the number of your shares falls below the number you specified to be paid in cash. In that case, cash dividends will be paid to you on all of your shares. You may change your instructions for this option at any time by completing a new Enrollment Form.
- **Cash Dividends - No Reinvestment** - By choosing this election, you receive all dividends in cash and no dividends will be reinvested.

[Table of Contents](#)

Direct Deposit

If you elect to have all or a portion of your dividends paid in cash, the amount will be paid by check or can be credited directly to your bank account via EFT. In order to take advantage of this option, your bank or financial institution must be a member of the Automated Clearing House. If you are interested in this option, please call The Bank of New York Mellon at 1-800-642-7365 and request an “ACH Fulfillment Kit.” If you enroll in the direct deposit and later transfer your shares to a new shareholder account, or change your bank account, you will need to request and complete another “ACH Fulfillment Kit.”

Investment Date and Investment Period

The Investment Date will normally be the 15th of every month or, if no trading of our Common Stock occurs on such date, the next preceding date on which trading occurred.

The Investment Period for investing dividends, Initial Investments and/or Optional Cash Payments in shares of our Common Stock to be purchased on the open market will be the period commencing on the Investment Date and ending on the day before the following Investment Date.

Initial Investments

Investors who are not Registered Shareholders and who wish to purchase Common Stock through the Plan may enroll online by visiting the Plan Administrator’s website at WWW.BNYMELLON.COM, or they must complete an Enrollment Form and make an Initial Investment. The Initial Investment must be \$250 or more but cannot exceed the maximum \$10,000 limit per investment transaction. Initial Investments must be made by a check drawn on a U.S. bank, in U.S. currency, payable to “BNY Mellon/Avista.” Third-party checks, money orders, travelers checks and checks not drawn on a U.S. bank or not paid in U.S. currency will not be accepted and will be returned to the sender. Returned checks are subject to a service fee. Investors should use the pre-addressed envelope provided to send the signed Enrollment Form and any Initial Investment.

Optional Cash Payments

In addition to the investment of quarterly dividends, a participant in the Plan may also make up to \$100,000 per calendar year in Optional Cash Payments with a maximum investment of \$10,000 per transaction. Shares will be purchased monthly during the Investment Period. The same amount of money need not be sent each time an Optional Cash Payment is made. There is no obligation to make Optional Cash Payments.

An Optional Cash Payment may be made by a participant when joining the Plan by enclosing the payment with the Enrollment Form. Thereafter, Optional Cash Payments should be accompanied by the form attached to the statement of account provided to the participant. Optional Cash Payments should be made by check payable to “BNY Mellon/Avista.” Optional Cash Payments can also be made by authorizing individual automatic deductions from your bank account by visiting the Plan Administrator’s website at WWW.BNYMELLON.COM/SHAREOWNER/ISD. See “Initial Investments” above.

Optional Cash Payments received by the Plan Administrator from participants *by 12:00 noon Eastern time on the day prior* to an Investment Date will be invested in Common Stock during the Investment Period in which such Investment Date occurs. Optional Cash Payments received after the time specified above will be held and invested in Common Stock during the following Investment Period. No interest will be paid on Optional Cash Payments held by the Plan Administrator.

Any Optional Cash Payment will be refunded if a written request for such refund is received by the Plan Administrator more than forty-eight (48) hours prior to an Investment Date.

Optional Cash Payments will not be accepted by the Plan Administrator if a participant imposes any restrictions with respect to the number of shares to be purchased, the price at which shares are to be purchased, the timing of the purchase, or what the participant’s balance will be following a purchase. In addition, the Plan

Administrator cannot purchase shares for a participant without advance payment, nor can it refund any part of a participant's cash payment after shares are purchased. It is not possible for the Plan Administrator to tell a participant in advance how much money to send for the purchase of a full or fractional share because the price per share will not be known at the time an Optional Cash Payment is made.

Automated Monthly Investments

Participants enrolled in the Plan may authorize automatic monthly Optional Cash Payments via EFT. This option may be chosen when enrolling in the Plan by completing the appropriate information on the Enrollment Form or by visiting the Plan Administrator's website at WWW.BNYMELLON.COM/SHAREOWNER/ISD.

Automated monthly investments are subject to the minimum and maximum amounts set for the Plan. EFT payments are deducted monthly from a participant's bank account through any financial institution that participates in the Automated Clearing House. Deductions are made on the 25th day of each month, or if such date is not a business day, then on the following business day. Automated monthly Optional Cash Payments will be invested beginning with the next scheduled Investment Date after the Plan Administrator receives the funds. The participant is responsible for any bank fees related to the arrangements made for EFT payments. It is your responsibility to immediately notify the Plan Administrator of any changes in EFT information as it relates to your authorized monthly deductions. You may call 1-800-642-7365 and request a new EFT Enrollment Form or change your information at the Plan Administrator's website by visiting WWW.BNYMELLON.COM/SHAREOWNER/ISD.

In the event that your Optional Cash Payment/Initial Investment check is returned unpaid for any reason, or your designated bank account for EFT does not have sufficient funds for your authorized monthly deduction, the Plan Administrator will immediately remove from your account shares, if any, which were purchased in anticipation of the collection of such funds. These shares will be sold to recover any uncollected funds. If the net proceeds of the sale of such shares are insufficient to recover in full the uncollected amounts, the Plan Administrator reserves the right to sell such additional shares from any of your accounts maintained by the Plan Administrator as may be necessary to recover in full the uncollected balance.

The Plan Administrator will charge a service fee of \$25 for returned checks or failed EFT payments. The Plan Administrator reserves the right to sell additional shares from any of your accounts maintained by the Plan Administrator as may be necessary to recover the service fee at the time the check or EFT is returned to the Plan Administrator.

Purchases Under the Plan - General

On each Dividend Payment Date, we will pay to the Plan Administrator any cash dividends on the Certificate Shares of Common Stock registered in your name as well as on Plan Shares of Common Stock credited to your plan account. The Plan Administrator will promptly apply such dividends and any Optional Cash Payments received from you by 12:00 noon Eastern time on the day prior to such Dividend Payment Date to the purchase of additional shares of Common Stock for your plan account, by one or both of the methods described below. On each Investment Date which is not also a Dividend Payment Date, the Plan Administrator will commence investing on such Investment Date any Initial Investment or Optional Cash Payments received from you to the purchase of additional shares of Common Stock for your plan account, by one or both of the methods described below. See "Source of Shares."

Purchases will be made either directly from us or on the open market, at our election. Open market purchases will be made by the Broker. The price of shares purchased on the open market will include a fee of \$.04 per share (which will include a brokerage commission) and any applicable securities taxes.

Your plan account will be credited with the number of shares, including fractional shares (computed to four decimal places), as of an Investment Date, equal to the total amount invested for your plan account divided by the purchase price (including fees of \$.04 per share (which will include brokerage commissions) and securities taxes, if applicable).

[Table of Contents](#)

Dividends, as and when declared by our Board of Directors, will be paid on shares purchased on the open market or purchased directly from us on subsequent Dividend Payment Dates.

Source of Shares

Open Market Purchases

Shares purchased under the Plan on the open market will be purchased by the Broker. Subject to certain limitations, the Broker has full discretion as to all matters relating to open market purchases, including determination of the number of shares, if any, to be purchased on any day or at any time of day, the price paid for such shares, the markets on which such shares are purchased (including on any securities exchange, on the over-the-counter market or in negotiated transactions) and the persons (including other brokers and dealers) from or through whom such purchases are made.

Purchases Directly from Avista Corporation

Shares purchased directly from us will be original issue stock.

Purchase Price of Shares

Price of Common Stock Purchased on the Open Market

The price of the Common Stock purchased on the open market with reinvested dividends, Initial Investments and/or with Optional Cash Payments will be the weighted average price of such shares, including fees of \$.04 per share (which will include brokerage commissions) and any applicable securities taxes, incurred in connection with the purchase of such shares during an Investment Period. The price per share will be determined by dividing the total cost (including fees of \$.04 per share (which will include brokerage commissions) and any applicable securities taxes) of all shares purchased with Initial Investments, Optional Cash Payments and/or reinvested dividends during an Investment Period by the total number of shares purchased during such Investment Period.

Price of Common Stock Purchased Directly from Avista Corporation

The price of the Common Stock purchased directly from us with reinvested dividends, Initial Investments or with Optional Cash Payments will be the average of the high and low sale prices of the Common Stock as reported on the Composite Tape for the applicable Investment Date.

Should it be necessary to utilize both open market and original issue shares for any particular Investment Period, the fee of \$.04 per share (which will include a brokerage commission) and securities taxes applicable to the open market shares will be included in the average price per share of all shares purchased.

Reports to Participants

Each participant in the Plan will receive from the Plan Administrator a statement of account following each investment. These statements are a participant's continuing record of the cost of purchases and should be retained for income tax purposes. In addition, each participant will receive copies of the same communications sent to each other holder of Common Stock, including our Quarterly Report to Shareholders, the Annual Report to Shareholders, the Notice of Annual Meeting and Proxy Statement and Internal Revenue Service information for reporting dividends paid. Each participant will receive notice relating to any modification made to the Plan.

Safekeeping

You may elect to have Certificate Shares of our Common Stock now held in your name deposited into your plan account for Safekeeping. Certificate Shares so deposited will be cancelled and the shares for such certificates will be credited to your plan account and held by the Plan Administrator. Safekeeping your shares will not affect your election regarding dividend reinvestment.

[Table of Contents](#)

Certificates for Safekeeping should be sent with a completed Safekeeping Authorization Form by registered mail to:

Avista Corporation
c/o BNY Mellon Shareowner Services
P.O. Box 358035
Pittsburgh, PA 15252-8035.

The certificate(s) should not be endorsed.

It is suggested that you use registered mail when sending stock certificate(s) declaring a value equal to 2% of the market value of the shares on the date of mailing. This amount would be the approximate cost of replacing the certificate(s) should they be lost in the mail.

It is your responsibility to retain your records relative to the cost of any Certificate Shares deposited for Safekeeping as, in most cases, we or the Plan Administrator would have no knowledge of the purchase price of such Certificate Shares.

Sale of Plan Shares - General

You may instruct the Plan Administrator to sell any or all Plan Shares held in your Plan account by one of the following methods.

- **Sale Orders via Mail** - You may instruct the Plan Administrator to sell by completing and signing the tear-off portion of your account statement and mailing the instructions to the Plan Administrator. If there is more than one name or owner on the Plan account, all participants must sign the tear-off portion of the account statement.
- **Sale Orders via IVR System** - You may instruct the Plan Administrator to sell by placing a sale order via the Interactive Voice Response System (the "IVR System"). To place a sale order, you must call 1-800-642-7365, the Plan Administrator's toll free number, with your instructions. Simply enter your Investor ID at the prompt and select the menu option for sales and follow the instructions provided.
- **Sale Orders via Internet** - You may instruct the Plan Administrator to sell by placing a sale order via the Internet at WWW.BNYMELLON.COM/SHAREOWNER/ISD and using your Investor ID.

Sale orders via the IVR System and Internet are generally accepted until 6:00 p.m. Eastern time. Sale orders will generally be sold within two business days. Sale orders placed after 6:00 p.m. will be considered received the next business day. The IVR System and the Plan Administrator's Internet site are confidential, secure, and provide a unique confirmation number for each transaction executed.

Selling participants should be aware that the Common Stock price may fall during the period between a request for sale, its receipt by the Plan Administrator, and the ultimate sale on the open market by the Broker. This risk should be evaluated by the participant and is a risk to be borne solely by the participant.

Certificates for Plan Shares of Common Stock - Share Withdrawal

Certificates for Plan Shares of Common Stock credited to a participant's plan account under the Plan will be issued to the Plan Administrator or its nominee as Plan Administrator for the participant. The number of Plan Shares credited to a plan account will be shown on the participant's statement of account. This convenience protects against loss, theft or destruction of stock certificates, permits ownership of a fractional share and reduces the cost to be borne by us.

Certificates for any number of whole Plan Shares credited to a plan account will be issued upon the request of a participant intending to remain in the Plan, and the Plan Shares represented by such certificates will be

[Table of Contents](#)

deducted from the participant's plan account. Certificates for fractional shares will not be issued under any circumstances. Dividends will continue to be paid to you according to the investment election you already made.

Plan Shares may not be pledged. A participant who wishes to pledge such Plan Shares must request that certificates for such Plan Shares be issued in the participant's name.

Cash for Plan Shares of Common Stock - Cash Withdrawal

A participant intending to remain in the Plan may request that a portion of the whole Plan Shares credited to the participant's plan account be sold. A participant must specify the number of Plan Shares, which are to be sold. The Plan Shares sold will be deducted from the participant's plan account, and any remaining whole Plan Shares and any fraction of a share will continue to have dividends reinvested in the participant's plan account. The participant will receive a check for the proceeds of the sale less a fee of \$.04 per share (which will include a brokerage commission) and securities taxes and fees, if applicable. See "Sale of Plan Shares - General."

Transfer of Shares

Transfers can be made in book-entry or certificated form at any time. In order to transfer shares, a participant will need to complete a Transfer Instruction Package. A participant can visit the Plan Administrator's Stock Transfer website at WWW.BNYMELLON.COM/SHAREOWNER/ISD to download the information, or call 1-800-642-7365 to request one. Participants must remember to obtain a "Medallion Guarantee" for any transfer of shares.

A "Medallion Guarantee" ensures that the individual signing the request for transfer is the owner or authorized representative. It can be obtained from financial institutions (including many banks and brokerage firms) participating in one or more of the Medallion Guarantee programs. Book-to-book transfers involving transferring shares from an existing Plan account to a new Plan account should follow the steps listed below.

- Call the Plan Administrator's toll-free telephone number 1-800-642-7365 to request a Plan Prospectus and Plan Enrollment Form. Complete the form, providing the full registration name, address and social security number of each new participant.
- The completed Plan Enrollment Form should be sent along with a written request indicating the number of shares (full and fractional) that should be transferred to the new participant's account. All existing participants in the current Plan account should sign the instructions and their signatures should be Medallion Guaranteed as discussed above.

Termination of Account - General

Any Optional Cash Payment sent to the Plan Administrator prior to a request to terminate will be invested by the Plan Administrator unless return of the amount is specifically indicated in the request to terminate. After termination of the plan account, all subsequent dividends will be paid by check to the former participant unless re-enrolled in the Plan. See "Stock Termination", "Cash Termination" and "Combined Termination" below for specific details.

Termination of Account - Stock (Stock Termination)

When a participant closes the account or upon discontinuation of the Plan by us, certificates for whole Plan Shares credited to a participant's plan account will be issued and any fractional shares will be sold. The participant will then receive the sale proceeds from the fractional shares less a fee of \$.04 per share (which will include a brokerage commission) and any applicable taxes and fees.

[Table of Contents](#)

Termination of Account - Cash (Cash Termination)

In lieu of receiving certificates for whole Plan Shares, the participant may, upon terminating the plan account, request that all of the Plan Shares, both whole and fractional, credited to the plan account be sold. The participant will receive a check for the proceeds of the sale less a fee of \$.04 per share (which will include a brokerage commission). See "Sale of Plan Shares - General."

A request for a Cash Termination received on or after an Ex-dividend Date will not be processed until after the related Dividend Payment Date. Such request, however, will be processed as promptly as possible after that Dividend Payment Date.

Termination of Account - Stock and Cash (Combined Termination)

A participant may, upon terminating the plan account, request that a certificate be issued for a portion of the whole Plan Shares credited to the plan account and that the balance of the whole and fractional shares credited to the plan account be sold. The participant will receive a certificate for the whole Plan Shares specified and will also receive a check for the proceeds of the sale of the remaining Plan Shares less a fee of \$.04 per share (which will include a brokerage commission) and any applicable securities taxes and fees. See "Sale of Plan Shares - General."

A request for a Combined Termination received on or after an Ex-dividend Date will not be processed until after the related Dividend Payment Date. Such request, however, will be processed as promptly as possible after that Dividend Payment Date.

Disposition of All Shares Registered in Participant's Name

If a participant disposes of all Certificate Shares of Common Stock registered in the participant's name, the Plan Administrator will continue to reinvest the dividends or pay cash dividends, as elected by the participant, on the Plan Shares credited to the participant's plan account until notified in writing by such participant that the participant wishes to terminate the plan account.

Rights Offering

A rights offering takes place when we issue to the existing shareholders the right to purchase additional shares of our Common Stock in proportion to the shares they already own. In a rights offering by us, rights on all Plan Shares will be issued to the Plan Administrator or its nominee. The Plan Administrator will sell such rights, credit each participant's plan account in proportion to the whole and fractional shares held therein on the Record Date for such rights, and apply the proceeds to the purchase of additional shares of our Common Stock. Any participant who wishes to exercise, transfer or sell stock purchase rights on the participant's Plan Shares must request, prior to the Record Date for the issuance of any such rights, that the whole Plan Shares credited to the participant's plan account be withdrawn from the plan account and registered in the participant's name. See "Certificates for Plan Shares of Common Stock - Share Withdrawal."

Rights on Certificate Shares registered in the name of the participant will be mailed directly to the participant in the same manner as to shareholders not participating in the Plan.

Stock Dividend or Stock Split

Any stock dividends or split shares distributed by us on Plan Shares credited to the plan account of a participant will be added to the participant's plan account. Stock dividends or split shares distributed on Certificate Shares registered in the name of the participant will be mailed directly to the participant in the same manner as to shareholders who are not participants in the Plan.

Voting of Plan Shares

Each participant in the Plan will receive a Notice of Annual Meeting, a Proxy Statement, a proxy card and our Annual Report to Shareholders. The proxy card will include Plan Shares held in the participant's plan account as well as any shares for which a participant has certificates. The proxy card may be completed, signed and forwarded to the Plan Administrator in the return envelope provided for such purpose. If the returned proxy card is properly signed and marked for voting, all the shares covered by such proxy will be voted as marked. If no instructions are received on a returned proxy card, properly signed, with respect to any item thereon, all of the participant's shares will be voted with respect to such item(s) in accordance with the recommendations of our management.

U.S. Federal Income Tax Information

The following is a summary of material U.S. federal income tax considerations regarding the Plan. This summary is based on current law, is for general information only and is not tax advice. This summary is limited to participants who hold our Common Stock as a capital asset (generally, property held for investment). This summary does not purport to address all aspects of taxation that may be relevant to a participant in light of the participant's particular circumstances, and does not address participants subject to special treatment under the U.S. federal income tax laws (including, for example, insurance companies, partnerships and other pass-through entities, tax-exempt organizations, financial institutions, broker-dealers, participants who hold our stock as part of a "straddle," "hedge," "conversion transaction" or other integrated investment, and participants whose functional currency is not the U.S. dollar). The summary does not apply to foreign participants, except as specifically indicated below under "Withholding and Information Reporting." Participants should consult their own tax advisors regarding the specific tax consequences to them under applicable federal, state, local and foreign tax laws and the impact of any changes in applicable tax laws, which may have retroactive effect.

Initial Investment and Optional Cash Payments

In general, a participant who makes an Initial Investment or Optional Cash Payment under the Plan will not realize gain or loss for U.S. federal income tax purposes as a result of the purchase of shares pursuant to such Initial Investment or Optional Cash Payment, and the participant's tax basis in such shares will equal the purchase price of the shares (including the amount of any applicable brokerage fees). A participant's holding period for such shares generally will begin on the day following the date on which such shares are credited to the participant's Plan account.

Deposit, Withdrawal or Sale of Shares

A participant will not realize gain or loss for U.S. federal income tax purposes upon a deposit of Certificate Shares to such participant's Plan account or the receipt of Certificates for whole shares withdrawn from the participant's Plan account. A participant may, however, recognize a capital gain or loss upon the receipt of cash for any fractional share credited to such participant's Plan account. A participant may also recognize capital gain or loss upon a sale or other taxable disposition of shares. The amount of gain or loss will be the difference, if any, between the amount realized from the sale of shares (or fractional shares) and the participant's tax basis in such shares (or fractional shares). Unless a participant specifically identifies the shares that are being sold, a first in, first out, or FIFO, method will be used when determining the tax basis of the shares sold. Capital gain will be taxable as long-term capital gain if such shares have been held by the participant for more than one year. In general, net long-term capital gains recognized by individuals and other non-corporate participants are eligible for taxation at a preferential rate. The deductibility of capital losses is subject to limitations.

Reinvestment of Dividends

Reinvested dividends are treated for U.S. federal income tax purposes in the same manner as if the participant had received such dividends in cash on the applicable dividend payment date. If a reinvested dividend is used to

[Table of Contents](#)

acquire shares from us, the participant generally will be treated as having received a distribution in an amount equal to the fair market value of the acquired stock (including any fractional shares acquired). If a reinvested dividend is used to purchase shares in the open market, the participant generally will be treated as having received a distribution equal to the amount of the cash dividend used to make such purchase (including any amount used to pay the applicable brokerage fees). In either case, the distribution deemed received by the participant will be increased by the amount of any tax withholding that was deducted from the reinvested dividend.

The deemed distribution described in the preceding paragraph will be taxable as ordinary, dividend income to the participant to the extent of our current and accumulated earnings and profits as determined for federal income tax purposes. Dividend income recognized by a corporation may be eligible for the dividends-received deduction if certain holding period and other requirements are met. Through 2012, dividend income recognized by an individual or other non-corporate participant will be taxable at the rates applicable to long-term capital gain if certain holding period and other requirements are met. Thereafter, dividends will be taxable at regular ordinary income rates. Any deemed distributions in excess of our earnings and profits will constitute a return of capital that will reduce the basis in the participant's existing shares (but not below zero), and thereafter will constitute capital gain that will be taxable as long-term capital gain if the distribution is with respect to shares that have been held by the participant for more than one year.

A participant's tax basis in Plan Shares purchased with a reinvested dividend generally will equal the amount of the distribution the participant is treated as receiving, as described above, less the amount of any tax withholding deducted from the reinvested dividend. A participant's holding period for such shares generally will begin on the day following the date on which such shares are credited to the participant's Plan account.

Medicare Tax on Net Investment Income

For taxable years beginning after December 31, 2012, a participant that is an individual or estate, or a trust that does not fall into a special class of trusts that is exempt from such tax, will be subject to a 3.8% tax on the lesser of (1) the participant's "net investment income" (in the case of individuals) or "undistributed net investment income" (in the case of estates and trusts) for the relevant taxable year and (2) the excess of the participant's "modified adjusted gross income" (in the case of individuals) or "adjusted gross income" (in the case of estates and trusts) for the taxable year over a certain threshold (which in the case of individuals will be between \$125,000 and \$250,000, depending on the individual's circumstances). A participant's net investment income generally will include its dividends on our Common Stock and its net gains from the disposition of our Common Stock. If you are a participant that is an individual, estate or trust, you are urged to consult your tax advisors regarding the applicability of the Medicare tax to your income and gains in respect of your investment in our Common Stock.

Withholding and Information Reporting

If a participant fails to provide certain U.S. federal income tax certifications in the manner required by law, distributions on shares of Common Stock, proceeds from the sale of fractional shares and proceeds from the sale of shares of Common Stock held in the participant's Plan account may be subject to U.S. federal backup withholding. If withholding is required for any reason, the appropriate amount of tax will be deducted and only the remaining amount will be reinvested or paid. Certain participants (including most corporations) are exempt from backup withholding. Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules can be refunded or credited against the participant's U.S. federal income tax liability, provided that the required information is timely furnished to the Internal Revenue Service.

In the case of dividend reinvestments by a foreign participant who is subject to U.S. federal income tax withholding on distributions, the amount of tax required to be withheld will be deducted from the amount of reinvested dividends and only the remaining amount will be invested in Plan Shares. Foreign participants should consult their own tax advisors regarding the applicability of U.S. federal income tax withholding to them and all other tax consequences to them under applicable tax laws and any applicable tax treaties.

[Table of Contents](#)

Withholding may be required with respect to dividends in respect of our Common Stock paid on or after January 1, 2014, and gross proceeds from the sale of our Common Stock paid on or after January 1, 2015, for participants that hold the shares through a foreign financial institution or a foreign non-financial entity. Subject to certain exceptions, a 30% withholding tax will be imposed on such payments if paid to a foreign financial institution or to a foreign non-financial entity, unless (i) the foreign financial institution undertakes certain diligence and reporting obligations or (ii) the foreign non-financial entity either certifies it does not have any substantial United States owners or furnishes identifying information regarding each substantial United States owner. If the payee is a foreign financial institution, it generally must enter into an agreement with the United States Treasury requiring, among other things, that it undertake to identify accounts held by certain United States persons or United States-owned foreign entities, annually report certain information about such accounts, and withhold 30% on payments to certain other account holders. If withholding is required under these rules, the appropriate amount of tax will be deducted and only the remaining amount will be reinvested or paid. Prospective participants should consult their tax advisors regarding these rules.

We must report annually to the Internal Revenue Service and to each shareholder the amount of all actual and deemed dividend distributions and the amount of tax withheld from those distributions. The Plan Administrator, as required, will report to the participant and to the Internal Revenue Service the sale of any Plan Shares.

The information that the Plan Administrator is required to report to the Internal Revenue Service and the participant with respect to a sale of any Plan Shares will depend upon whether the shares sold are acquired after 2011 (Post-2011 Shares) or before 2012 (Pre-2012 Shares). Unless a participant specifically identifies the shares that are being sold, a participant will be deemed to have sold its Pre-2012 Shares first, in the order acquired, until all of the participant's Pre-2012 Shares have been sold. After all of the participant's Pre-2012 Shares have been sold, unless a participant specifically identifies the shares that are being sold, a participant will be deemed to have sold its Post-2011 Shares in the order acquired.

Regardless of the taxable year in which the sale occurs, when Pre-2012 Shares are sold, the Plan Administrator is required to report only the gross proceeds from the sale of the shares. Starting in 2012, when Post-2011 Shares are sold, the Plan Administrator will also be required to report the basis of such shares and whether any gain or loss on the disposition of such shares is short-term or long-term.

Responsibility of Avista Corporation and the Plan Administrator Under the Plan

Neither we, The Bank of New York Mellon as Plan Administrator, nor the Broker will be liable for any act done in good faith or for any good faith omission to act, including, without limitation, any claim of liability arising out of failure to terminate a participant's account upon such participant's death prior to receipt of notice in writing of such death or with respect to any fluctuation in market value before or after any purchase or sale of Plan Shares.

The participant should recognize that neither the Plan Administrator nor the Broker can assure the participant of a profit or protect the participant against a loss on shares purchased or sold under the Plan.

Modification or Discontinuance of the Plan

We reserve the right to suspend, modify or discontinue the Plan at any time by action of our Board of Directors. Notice of any such suspension, modification or discontinuance will be given to all participants.

Upon discontinuance of the Plan by us, the Plan Administrator will continue to hold participant's shares until such time as the participant requests them to be issued, sold or moved electronically to a brokerage account. In all cases a cash payment will be made for any fractional share.

Interpretation and Regulation of the Plan

We reserve the right to interpret and regulate the Plan as it deems necessary or desirable in connection with its operation.

DESCRIPTION OF COMMON STOCK

General

The authorized capital stock of Avista, as set forth in its Restated Articles of Incorporation, as amended, consists of 10,000,000 shares of Preferred Stock, cumulative, without nominal or par value (“Preferred Stock”), which is issuable in series, and 200,000,000 shares of Common Stock without nominal or par value (“Common Stock”). Following is a brief description of certain of the rights and privileges of the Common Stock.

Avista may issue additional shares of its Common Stock from time to time. The terms of the Common Stock include those stated in the Avista Articles and the Avista Bylaws and those made applicable thereto by the Washington Business Corporation Act (the “Washington BCA”). The following summary is not complete and is subject in all respects to the provisions of, and is qualified in its entirety by reference to Avista’s Restated Articles of Incorporation, as amended (the “Articles”), Avista’s Bylaws (the “Bylaws”) and the Washington BCA. Avista has filed the Articles and the Bylaws as exhibits to the registration statement of which this prospectus forms a part. Whenever particular provisions of the Articles or the Bylaws are referred to, those provisions are incorporated as part of the statements made in this prospectus and those statements are qualified in their entirety by that reference.

Dividend Rights

After full provision for all Preferred Stock dividends declared or in arrears, the holders of Common Stock are entitled to receive such dividends as may be lawfully declared from time to time by Avista’s Board of Directors.

Voting Rights

The holders of the Common Stock have sole voting power, except as indicated below or as otherwise provided by law. Each holder of Common Stock is entitled to one vote per share.

In an uncontested election of directors, each vote may be cast “for” or “against” one or more candidates, or a shareholder may “abstain” with respect to one or more candidates. A candidate is elected to the Board of Directors if the number of votes cast “for” such candidate exceeds the number of votes cast “against” such candidate; and “abstentions” are not counted as votes “for” or “against”. If an incumbent director does not receive a majority of votes cast, he or she would continue to serve a term that would terminate on the date that is the earliest of (a) the date of the commencement of the term of a new director selected by the board to fill the office held by such director, (b) the effective date of the resignation of such director and (c) the date of the next Annual Meeting of Shareholders. In a contested election – that is, an election in which the number of candidates exceeds the total number of directors to be elected – shareholders would be allowed to vote “for” one or more candidates (not to exceed the number of directors to be elected) or “withhold” votes with respect to one or more candidates. The candidates elected would be those receiving the largest number of votes (up to the number of directors to be elected). Shareholders are not allowed to cumulate their votes in any election (whether or not contested).

Under the Articles, whenever and as often as, at any date, dividends payable on any shares of Preferred Stock shall be in arrears in an amount equal to the aggregate amount of dividends accumulated on such shares of Preferred Stock over the eighteen (18) month period ended on such date, the holders of the Preferred Stock, voting separately and as a single class, are entitled to elect a majority of the Board of Directors, and the holders of the Common Stock, voting separately and as a single class, will be entitled to elect the remaining directors. Such voting rights of the holders of the Preferred Stock cease when all defaults in the payment of dividends on the Preferred Stock have been cured.

In addition, the consent of various proportions of the Preferred Stock at the time outstanding is required to adopt any amendment to the Articles which would authorize any new class of stock ranking prior to or on a

[Table of Contents](#)

parity with the Preferred Stock as to certain matters, to increase the authorized number of shares of the Preferred Stock, to change any of the rights or preferences of outstanding Preferred Stock or to issue additional shares of Preferred Stock unless an earnings test is satisfied.

Board of Directors

Both the Articles and the Bylaws provide that, commencing with the 2012 Annual Meeting of Shareholders, all directors will be elected at each annual meeting for a term that will expire at the next annual meeting. Vacancies occurring in the Board of Directors may be filled by the Board. Directors may be removed only for cause and only if the number of votes cast by holders of Common Stock for removal of a director exceeds the number of votes cast against such removal.

The Avista Articles and Avista Bylaws further require an affirmative vote of the holders of at least 80% of the outstanding shares of Common Stock to alter, amend or repeal the provisions relating to the classification of the Board of Directors and the removal of members from, and the filling of vacancies on, the Board of Directors.

“Fair Price” Provision

The Articles contain a “fair price” provision which requires the affirmative vote of the holders of at least 80% of the outstanding shares of Common Stock for the consummation of certain business combinations, including mergers, consolidations, recapitalizations, certain dispositions of assets, certain issuances of securities, liquidations and dissolutions involving Avista and a person or entity who is or, under certain circumstances, was, a beneficial owner of 10% or more of the outstanding shares of Common Stock (an “Interested Shareholder”) unless

- such business combination shall have been approved by a majority of the directors unaffiliated with the Interested Shareholder, or
- certain minimum price and procedural requirements are met. The Articles provide that the “fair price” provision may be altered, amended or repealed only by the affirmative vote of the holders of at least 80% of the outstanding shares of Common Stock.

Statutory Limitation on “Significant Business Transactions”

General

The Washington BCA contains provisions that limit our ability to engage in “significant business transactions” with an “acquiring person”, each as defined below. We have no right to waive the applicability of these provisions.

Significant Business Transactions Within Five Years of Share Acquisition Time

Subject to certain exceptions, for five years after an “acquiring person’s” “share acquisition time”, Avista may not engage in any “significant business transaction” with such “acquiring person” unless

- before such “share acquisition time”, a majority of the Board of Directors approves either:
 - such “significant business transaction”; or
 - the purchase of shares made by such “acquiring person”; or
- at or subsequent to such “share acquisition time”, such “significant business transaction” has been approved by
 - a majority of the Board of Directors
 - the holders of 2/3 of the outstanding shares of Common Stock (except shares beneficially owned by or under the voting control of the “acquiring person”).

Significant Business Transactions More Than Five Years After Share Acquisition Time

Avista may not engage in certain “significant business transactions” (including mergers, share exchanges and consolidations) with any “acquiring person” unless:

- the transaction complies with certain “fair price” provisions specified in the statute; or
- no earlier than five years after the “acquiring person’s” “share acquisition time”, the “significant business transaction” is approved at an annual or special meeting of shareholders (in which the “acquiring person’s” shares may not be counted in determining whether the “significant business transaction” has been approved).

Definitions

As used in this section:

“*Significant business transaction*” means any of various specified transactions involving an “acquiring person”, including:

- a merger, share exchange, or consolidation of Avista or any of its subsidiaries with an “acquiring person” or its affiliate;
- a sale, lease, transfer or other disposition to an “acquiring person” or its affiliate of assets of Avista or any of its subsidiaries having an aggregate market value equal to 5% or more of all of the assets determined on a consolidated basis, or all the outstanding shares of Avista, or representing 5% or more of its earning power or net income determined on a consolidated basis;
- termination, at any time over the five-year period following the “share acquisition time”, of 5% or more of the employees of Avista as a result of the “acquiring person’s” acquisition of 10% or more of the shares of Avista; and
- the issuance or redemption by Avista or any of its subsidiaries of shares (or of options, warrants, or rights to acquire shares) of Avista or any of its subsidiaries to or beneficially owned by an “acquiring person” or its affiliate except pursuant to an offer, dividend distribution or redemption paid or made pro rata to all shareholders (or holders of options, warrants or rights).

“*Acquiring person*” means, with certain exceptions, a person (or group of persons) other than Avista or its subsidiaries who beneficially owns 10% or more of the outstanding Common Stock of Avista.

“*Share acquisition time*” means the time at which a person first becomes an “acquiring person” of Avista.

Anti-Takeover Effect

The provisions of the Articles and the Bylaws described above under “Fair Price’ Provision”, together with the provisions of the Washington BCA described above under “Statutory Limitations on ‘Significant Business Transactions’”, considered either individually or in the aggregate, may have an “anti-takeover” effect. These provisions could discourage a future takeover attempt which is not approved by Avista’s Board of Directors but which individual shareholders might deem to be in their best interests or in which shareholders would receive a premium for their shares over current market prices. As a result, shareholders who might desire to participate in such a transaction might not have an opportunity to do so.

Liquidation Rights

In the event of any liquidation or dissolution of Avista, after satisfaction of the preferential liquidation rights of the Preferred Stock, the holders of Common Stock would be entitled to share ratably in all assets of Avista available for distribution to shareholders.

[Table of Contents](#)

Pre-Emptive Rights

No holder of Common Stock has any pre-emptive rights.

Miscellaneous

The presently outstanding shares of Common Stock are fully paid and non-assessable. Upon issuance as contemplated by this prospectus and the applicable prospectus supplement, additional shares of Common Stock will be fully paid and nonassessable. The holders of such shares of Common Stock are not and will not be subject to liability for further calls or assessment by, or for liabilities of, Avista.

The outstanding shares of Common Stock are listed on the New York Stock Exchange. Any new shares of Common Stock will also be listed on that Exchange subject to official notice of issuance.

The Transfer Agent and Registrar for the Common Stock is The Bank of New York Mellon, 480 Washington Boulevard, Jersey City, New Jersey 07310.

USE OF PROCEEDS

Unless shares of Common Stock are purchased directly from us, we will receive no proceeds from the offering of Common Stock under the Plan. We do not know the number of shares of Common Stock that will ultimately be sold pursuant to the Plan, the prices at which such shares will be sold, or the number of shares, if any, that will be purchased directly from us, and therefore, cannot estimate the amount of proceeds to be received from any purchase of such shares. To the extent that shares are purchased directly from us, the proceeds are expected to be used for our construction program, the interim financing of such construction program, the refunding of our other securities, or to reimburse the treasury for funds previously expended for such purposes.

LEGAL MATTERS

EXPERTS

The consolidated financial statements incorporated in this prospectus by reference from the Company's Annual Report on Form 10-K and the effectiveness of Avista Corporation's internal control over financial reporting have been audited by Deloitte & Touche LLP, an independent registered public accounting firm, as stated in their reports, (which reports (1) express an unqualified opinion on the consolidated financial statements and include an explanatory paragraph relating to the adoption of Accounting Standards Update No. 2009-17, Consolidations-Improvements to Financial Reporting by Enterprises Involved with Variable Interest Entities and (2) express an unqualified opinion on the effectiveness of internal control over financial reporting), which are incorporated herein by reference. Such consolidated financial statements have been so incorporated in reliance upon the reports of such firm given upon their authority as experts in accounting and auditing.

With respect to the unaudited interim consolidated financial information, which is incorporated herein by reference, Deloitte & Touche LLP, an independent registered public accounting firm, have applied limited procedures in accordance with the standards of the Public Company Accounting Oversight Board (United States) for a review of such information. However, as stated in their reports included in Avista Corporation's Quarterly Reports on Form 10-Q and incorporated by reference herein, they did not audit and they do not express an opinion on that interim financial information. Accordingly, the degree of reliance on their reports on such information should be restricted in light of the limited nature of the review procedures applied. Deloitte & Touche LLP are not subject to the liability provisions of Section 11 of the Securities Act of 1933 for their reports on the unaudited interim financial information because those reports are not "reports" or a "part" of the Registration Statement prepared or certified by an accountant within the meaning of Sections 7 and 11 of the Act.

Article Seventh of Avista Corporation's Restated Articles of Incorporation ("Articles") provides, in part, as follows:

"The Corporation shall, to the full extent permitted by applicable law, as from time to time in effect, indemnify any person made a party to, or otherwise involved in, any proceeding by reason of the fact that he or she is or was a Director of the Corporation against judgments, penalties, fines, settlements and reasonable expenses actually incurred by him or her in connection with any such proceeding. Item 16. Exhibits.

Reference is made to the Exhibit Index on p. II-6 hereof.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

Table of Contents

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be sellers to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or their securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual reports pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted against the registrant by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

[Letterhead of Avista Corporation]

November 14, 2011

Avista Corporation
1411 East Mission Avenue
Spokane, WA 99202

Ladies and Gentlemen:

I am a Senior Vice President and the General Counsel & Chief Compliance Officer of Avista Corporation, a Washington corporation (the "Company"), and am acting as counsel to the Company in connection with the filing by the Company of a registration statement on Form S-3 (the "Registration Statement") under the Securities Act of 1933, as amended (the "Act"), relating to the registration of 689,255 shares (the "Offered Shares") of the Company's Common Stock, no par value (the "Common Stock"), to be offered under the Company's Direct Stock Purchase and Dividend Reinvestment Plan (the "DRIP").

I have examined (1) the Registration Statement, (2) the Company's Restated Articles of Incorporation, as amended, and By-Laws, (3) a Certificate of Existence/Authorization with respect to the Company issued by the Secretary of State of the State of Washington, (4) orders of the Washington Utilities and Transportation Commission (the "WUTC"), the Idaho Public Utilities Commission (the "IPUC") and the Public Utility Commission of Oregon (the "OPUC") with respect to the issuance and sale by the Company of the new shares of Common Stock under DRIP, as well as the exemptive order of the Public Service Commission of the State of Montana disclaiming jurisdiction over the issuance of securities and the creation of liens by the Company and (5) various corporate records and other documents relating to the authorization of the issuance and sale by the Company of shares of Common Stock and the receipt of adequate consideration upon the issuance and sale thereof. I have also examined such other documents and satisfied myself as to such other matters as I have deemed necessary in order to deliver this letter.

I wish to advise you, however, that (1) with respect to the valid issuance of all outstanding shares of Common Stock that were issued after February 11, 2005 under (a) plans established for the benefit of executive officers and other employees and of outside directors, of whatever kind and nature or (b) under plans established for the benefit of shareholders such as dividend reinvestment and stock purchase plans, I have assumed, without investigation, the accuracy of the statements set forth in certificates, of recent date, of officers of the Company and (2) with respect to all outstanding shares of Common Stock, I have further assumed, without

investigation, the due delivery by the Company's transfer agent and registrar of certificates representing such shares.

On the basis of the foregoing, and subject to the qualifications hereinafter expressed, I am of the opinion that, when the Offered Shares have been sold and delivered as contemplated in the Registration Statement, the Offered Shares will be legally issued, fully paid and non-assessable.

For the purposes of the opinions expressed above, I have assumed, with respect to Offered Shares that constitute authorized but previously unissued shares of Common Stock, that such Offered Shares will be issued and sold in accordance with the terms of the DRIP and in compliance with the orders of the WUTC, the IPUC and the OPUC authorizing the issuance and sale by the Company of such securities and with the authorization of the Company's Board of Directors. In addition, with respect to Offered Shares that are purchased in the open market for offer and sale under the DRIP, I express no opinion herein as to any such shares that are both (1) originally issued after the date hereof and (2) not so originally issued under the DRIP.

I am a member of the Bar of the State of Washington, and the opinions expressed above are limited to the laws of the States of Idaho, Washington and Oregon and the federal laws of the United States. To the extent that the opinions expressed above relate to or are dependent upon matters governed by the law of the State of Idaho, Montana or Oregon, I have relied upon advice rendered to me by other counsel to the Company admitted to practice in such State whom I consider competent. In addition, to the extent that the opinions expressed above relate to or are dependent upon matters governed by the federal securities laws, the Federal Power Act, as amended, or the Public Utility Holding Company Act of 2005, I have relied upon the opinions expressed in the letter of even date herewith of Dewey & LeBoeuf LLP, counsel to the Company, which is being filed as Exhibit 5(b) to the Registration Statement, and my opinions are subject to the same assumptions, limitations and qualifications with respect to such matters as are set forth in such letter of Dewey & LeBoeuf LLP.

Dewey & LeBoeuf LLP is hereby authorized to rely upon the opinions expressed in this letter as to all matters governed by the law of the State of Washington, Idaho, Montana or Oregon.

I hereby consent to the filing of this letter as Exhibit 5(a) to the Registration Statement and to the references to me, as counsel, in the Registration Statement and in the prospectus contained therein. In giving the foregoing consent, I do not admit that I am within the category of persons whose consent is required under Section 7 of the Act or the rules and regulations promulgated thereunder.

Very truly yours,
